VILLAGE DISTRICTS

ABOUT OUR SENSORY-FRIENDLY EXPERIENCE IN GREENFIELD VILLAGE

The Henry Ford seeks to provide safe, unique and engaging experiences for our members, guests and families with ASD (autism spectrum disorder) and SPD (sensory processing disorder).

Our sensory-friendly programming has been designed using expert advice and guidance from a network of educational and medical partnerships. Sensory-friendly events and programs vary throughout the year, but at their foundation are accommodations (i.e., pre-visit materials, noise-canceling headphones and earplugs, quiet zones, modifications to sensory input, and customized programming) that provide access to a broad range of experiences at The Henry Ford.

Please contact accessibility@thehenryford.org with any questions or comments.
